Dear Colleagues,

We are pleased to inform you that the Ecole normale supérieure de Lyon has launched for the 2nd consecutive year an **international selection for Master studies**. This selection is aimed at the most outstanding students having completed successfully three years of undergraduate studies. The selected candidates are admitted as ENS Lyon International Students and receive a monthly allowance of 1,000 euros. The scholarship is awarded for at least one academic year, and is renewable for a second year of funding in order to obtain the Master's degree in Science.

Further information on this program and a downloadable application form can be found on our website at :

<http://www.ens-lyon.fr/international>

The closing date for applications is April 15th 2005

The ENS Lyon also has a competitive entrance examination, which is open to students having successfully completed 4 semesters of undergraduate studies (120 ECTS credits). European Union nationals who succeed are admitted as "élèves normaliens" and are paid for their studies (1,200 euros/month during four years) in exchange for working for French universities or public research laboratories for a limited period of time.

Information and registration (Feb. 1st – April 15th 2005) :

www.interens.org

I would appreciate if you could advertise these opportunities to eligible students in your university.

Yours sincerely,

Jean-Louis Duclos
Head of International relations
