

First Announcement

Recent Progress in Lagrangian & Hamiltonian Dynamics

A conference in honor of John Mather's 70th Birthday

Ecole normale Supérieure de Lyon
4th-9th June 2012

This is the first announcement for the conference. People interested should send a mail at conference.mather70@ens-lyon.fr to receive the second announcement which will give a link for registration on the web page. We can support some local expenses for some people (mainly room and lunch), however if participants can use their own funds we will be able to support more people. We apologize for multiple copies sent to the same person.

Sponsors: ENS Lyon, Labex MiLyon, NSF, Michael Brin Foundation, Institut Universitaire de Lyon, UMPA, Région Rhône-Alpes.
