Opening

The Department of Mathematics at the University of Fribourg, Switzerland, invites applications for one

Postdoctoral Position in Analysis/Geometry

in an area related to Geometric Measure Theory, Analysis on Metric Spaces, Metric or Sub-Riemannian Geometry, Geometric Inequalities or Isoperimetric Problems, with start date September 1, 2013. The position is awarded for one year with the possibility of extension for one or two more years, subject to funding.

Application files should include a letter of motivation, a curriculum vitae, a research statement, and a publication list. Applicants should furthermore arrange for at least two letters of recommendation to be sent directly by the reviewers. Deadline for the application is March 1, 2013. Late applications will be considered until the position is filled. Applications should be sent preferably by email to stefan.wenger@unifr.ch.
