PhD at

# GRAN SASSO SCIENCE INSTITUTE

The GSSI is an international PhD school and a center for research and higher education

The PhD program will start in the academic year **2013-2014**  
(Application Deadline: 15 July 2013)

It is organized into four PhD courses:

**astroparticle physics**

**mathematics in natural, social and life sciences**

**computer science**

**urban studies**

Professors, researchers and students from all scientific areas are selected internationally, following the standards of the best graduate schools worldwide

The GSSI is located in L'Aquila city center. It provides students free housing plus the standard three years PhD grant and meals expenses will be covered

For information and application visit us at

[www.gssi.infn.it](http://www.gssi.infn.it)

The GSSI is a project supported by the Organization for Cooperation and Economic Development (OECD) and activated by the Italian National Institute for Nuclear Physics (INFN)
