

The **Karlsruhe Institute of Technology (KIT)** is offering a

## **Post-Doc Position in Mathematics**

Salary group E13 TVL

in the **Institute for Analysis** starting from **01 September 2014**. The appointment is initially limited to 24 months.

### **Field of work**

The successful applicant is expected to contribute to the research project *Willmore surfaces in Riemannian manifolds* funded by the DFG.

Applicants are required to have a PhD in Mathematics. Candidates should have advanced knowledge in the field of Partial Differential equations and Geometric Analysis.

KIT is an equal opportunity employer. Women are especially encouraged to apply. Applicants with disabilities will be preferentially considered if equally qualified.

Please send your application with the usual documentation (curriculum vitae, list of publications, research statement) to

tobias.lamm@kit.edu

The closing date is **31 March 2014**.

For further questions, please contact Prof. Dr. Tobias Lamm via the above e-mail address.
