

Winter School

Gradient Flows and Variational Methods in PDEs

November 25–29, 2019, Ulm University

Main speakers:

Verena Bögelein (Univ. Salzburg)

Yann Brenier (ENS Paris)

Ralph Chill (TU Dresden)

Anna Mazzucato (Penn State)

Christian Seis (Univ. Münster)

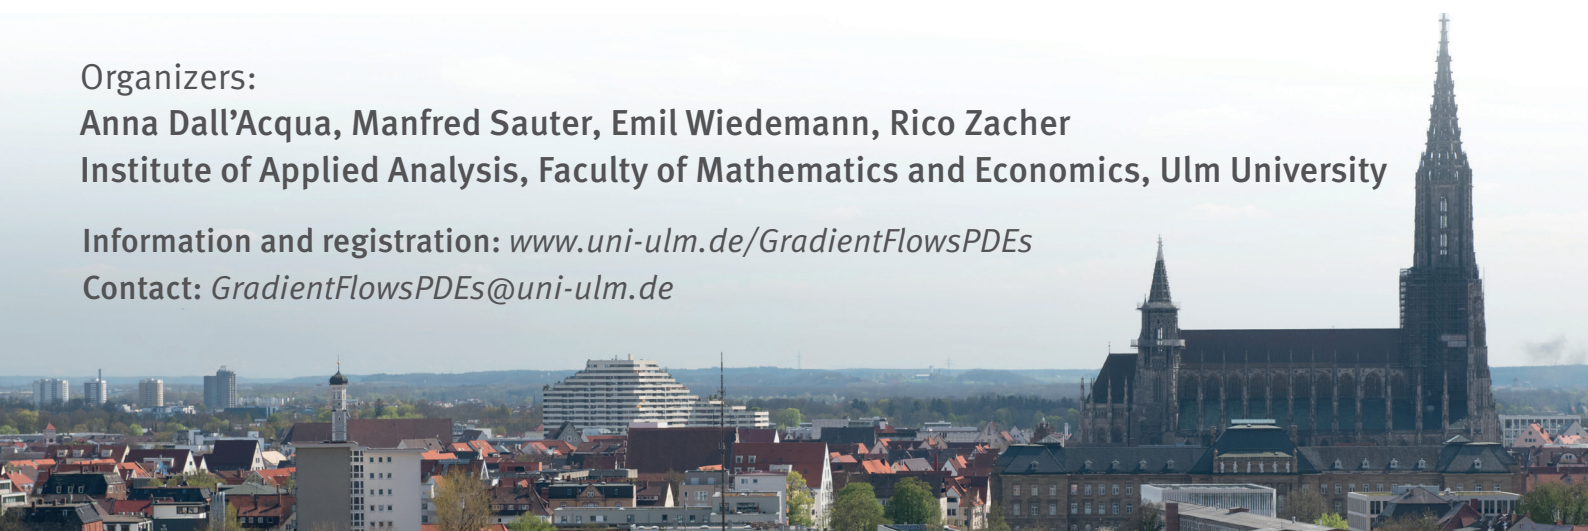

Organizers:

Anna Dall'Acqua, Manfred Sauter, Emil Wiedemann, Rico Zacher

Institute of Applied Analysis, Faculty of Mathematics and Economics, Ulm University

Information and registration: www.uni-ulm.de/GradientFlowsPDEs

Contact: GradientFlowsPDEs@uni-ulm.de

Limited funding for young researchers is available
