| • Giorgio Poggesi | (Adelaide University) |
| • Artem Pulemotov | (University of Queensland) |
| • Daniel Spector | (National Taiwan Normal University) |
| • Caterina Sportelli | (Universidad de Granada) |
| • James Stanfield | (University of Wollongong) |
| • Jack Thompson | (University of Western Australia) |
| • Neil Trudinger | (Australian National University) |
| • Xu-Jia Wang | (Westlake University) |
| • Yao Yao | (National University of Singapore) |
| • Po-Lam Yung | (Australian National University) |

Organizers

- Serena Dipierro (UWA)
- Enrico Valdinoci (UWA)
- Riccardo Villa (UWA)

*A Theorem is something discovered;
its proof something invented.*
